Re: United States v. Shih-Ming Shiue
Criminal Action No. 05-10021-NMG

Dear Mr. Nicewicz:

On June 19, 2006, the United States filed the **original** Department of the Treasury Process, Receipt, and Return form (see Docket entry 23-1), in connection with the above-referenced criminal case. At that time, the Publisher's Certificate was not available for filing. The attached Publisher's Certificate should now be filed and attached to the **original** Department of the Treasury Process, Receipt, and Return form.

It is my understanding that the returns containing the original signatures are to be retained in the official court file, and need not be filed electronically, as they constitute executed service of process documents under Rule 4.

Thank you for bringing this matter to the attention of the Court.

Very truly yours,

Kristina E. Barclay
